Dear Dr. Hockett:

The 1984 Deuel Conference on Lipids is about two months away and I note that we have not received an answer to the announcement that was sent to you on July 12, 1983. Very soon we must finalize the list of supporters and the budget for the meeting, so we are anxious to know if The Council for Tobacco Research will be contributing to the conference again this year and who your representative will be. Please, may I hear from you soon?

With best personal regards.

Sincerely,

Ralph T. Holman, Chairman
Funding Committee
